

# CLINTON SAILING CLUB

clintonsail.org

**Would your child – or a friend – like to sail?**

*Here is their chance to learn in summer 2021!*

Clinton Sailing Club (CSC) is offering “Sailorships” for Clinton children ages 8-18 to participate in a FREE one-week sailing experience in summer 2021.

Sailors will learn parts of the boat, important sailing terms, and experience first hand sailing a boat in Clinton Harbor! Lesson dates are every week in summer starting the week of **June 28th and running through August 20th.** Lessons take place at Clinton Town Beach daily from 9am-12pm and 1-4pm.

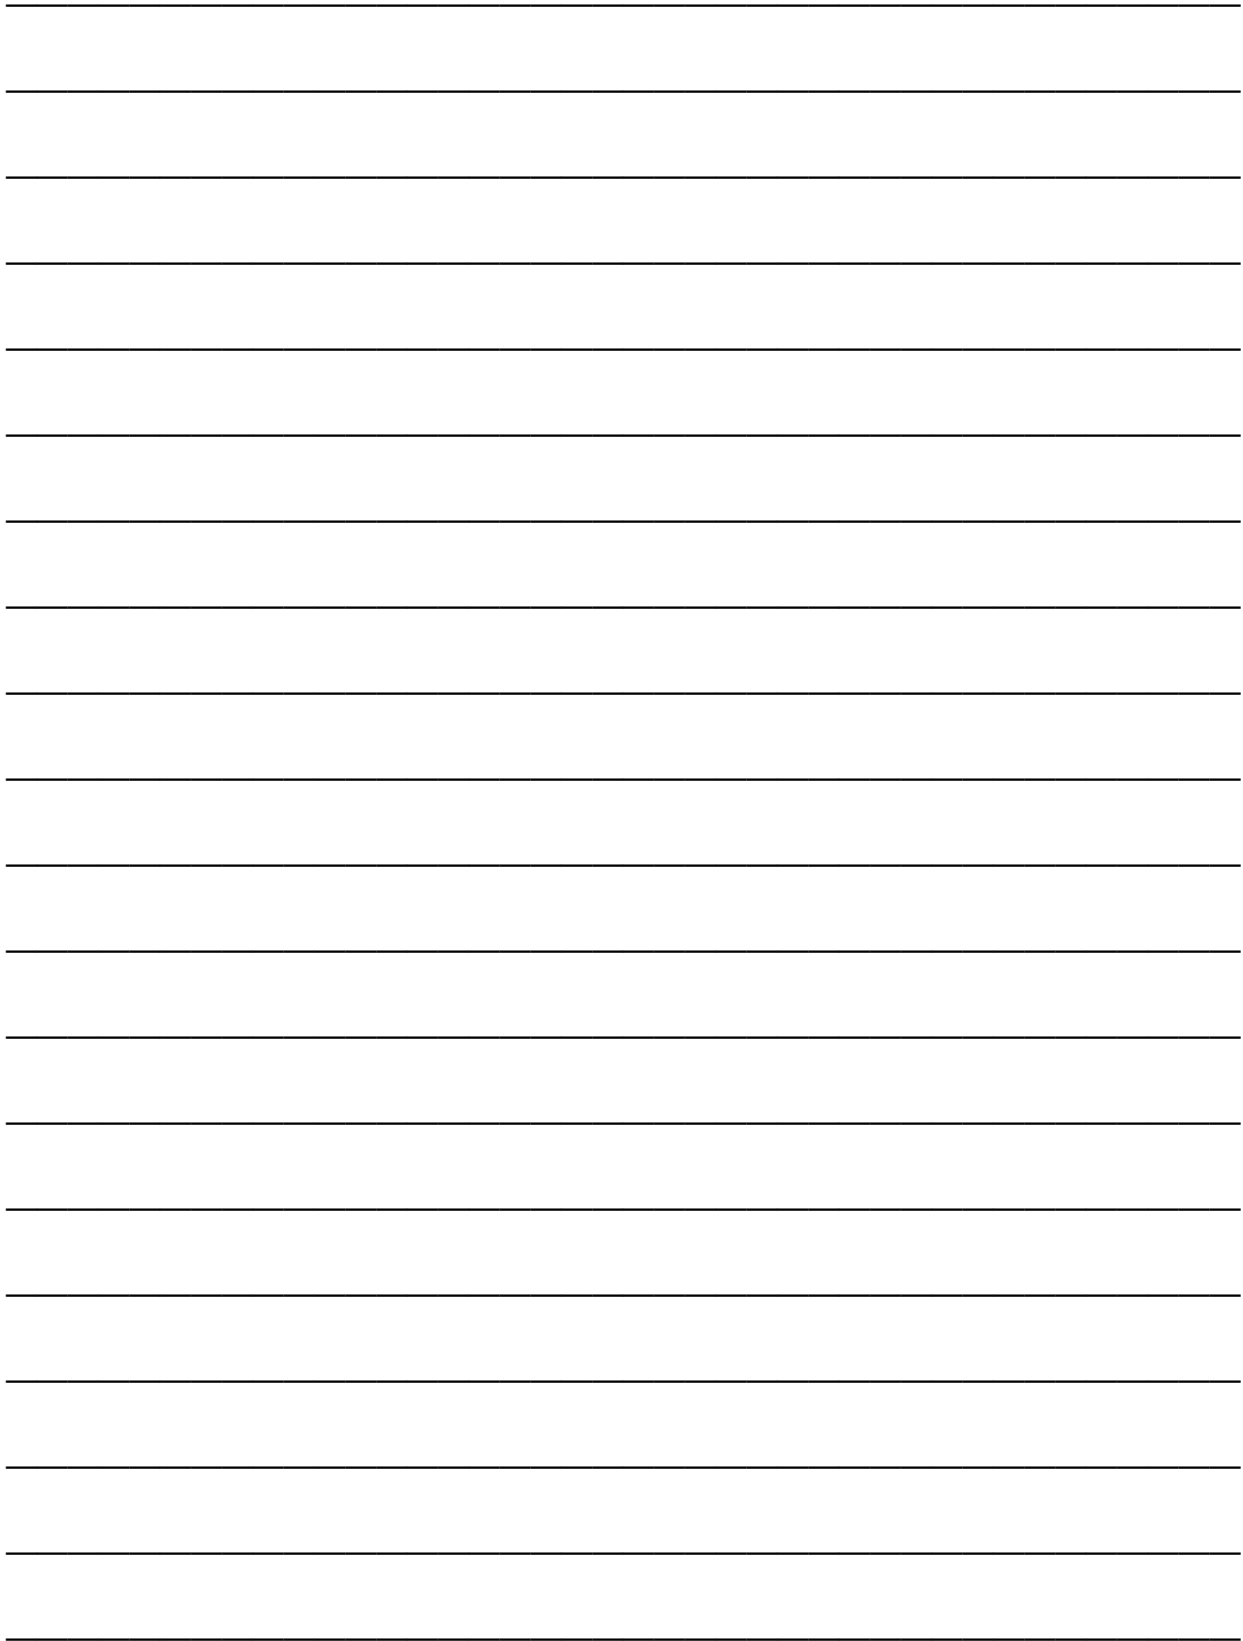

CSC offers beginner through advanced lessons. If you've sailed with us before, feel free to take a beginner class again and have even more fun – or move up a level if your instructor has recommended you for a new challenge.

Applying for a “Sailorship” is easy. Just answer the following questions and most importantly, tell us why you would like to learn to sail this summer! **It is important that kids write this themselves.**

**“Sailorships” are awarded based on financial need.**

- Please email completed applications to [info@clintonsailingclub.org](mailto:info@clintonsailingclub.org) or mail to:
  - Dana Skidmore, 4th grade teacher  
Joel School 137-A Glenwood Road  
Clinton, CT. 06413

**Required question to be answered by Parent/Guardian:**

**How do you think your child will benefit from a week of sailing?**

(Please provide details to your answer)

**Total Family (yearly) income:** \_\_\_\_\_

FYI: Sailing lesson discounts are also available in exchange for volunteering for “Shore Power”. This is CSC’s land-based adult safety team at Clinton Town Beach. If you would like to learn more about this discounted option, please contact: Sheila Dunning, [shdunning@gmail.com](mailto:shdunning@gmail.com)

*If we have to cancel your sailorship due to the pandemic, you will get a credit for next year.*
